Statement of Local Council Members' and Executive Secretary's Responsibilities

The Local Councils (Financial) Regulations 1993 require the Executive Secretary to prepare a detailed annual administrative report which includes a statement of the Local Council's income and expenditure for the year and of the Local Council's retained funds at the end of the year. By virtue of the same regulations it is the duty of the Local Council and the Executive Secretary to ensure that the Financial Statements forming part of the report present fairly, in accordance with accounting policies applicable to Local Councils, the income and expenditure of the Local Council for the year and its retained funds as at the year end, and that they comply with the Act, the Local Councils (Financial) Regulations, and the Local Councils (Financial) Procedures, issued in terms of the said Act.

The Executive Secretary is responsible to maintain a continuous internal control to ascertain that the accounting, recording and other financial operations are properly conducted in accordance with the Local Councils Act, Local Council (Financial) Regulations, and the Local Councils (Financial) Procedures. The Executive Secretary is also responsible for safeguarding the assets of the Council and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Financial Statements – 31 December 2010**Report of the Local Government Auditors to the Auditor General**

We have audited the Financial Statements of the Mgarr Local Council set out on pages 4 to 19.

Respective Responsibilities of the Local Council and Local Government Auditors

As described on page 1 the Executive Secretary and the Local Council are responsible for the preparation of the Financial Statements. It is our responsibility to form an independent opinion, based on our audit, on these statements and to report our opinion thereon to you.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing. Our audit includes an examination, on a test basis, on the evidence relevant to the amounts and disclosures in the Financial Statements. It also includes an assessment of the significant estimates and judgments made by the Executive Secretary and the Local Council members in the preparation of the Financial Statements, and of whether the accounting policies are consistent with the Local Councils Act, CAP 363, the Financial Regulations issued in terms of the said Act, and the Local Councils (Financial) Procedures, 1996, and that such policies have been consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with the sufficient evidence to give responsible assurance that the Financial Statements are free from material misstatement whether caused by fraud or other irregularity or error. In forming our opinion we have also evaluated the overall adequacy of the presentation of information in the Financial Statements.

01. General Information

Mgarr Local Council is the local authority of Mgarr setup in accordance with the Local Councils Act. The office of the Local Council is situated at 22, Triq Sir Harry Luke, Mgarr.

-IAS 24 – Related party disclosures (effective 1 January, 2011). Amendment simplified the definition of a related party, clarified its intended meaning and eliminating inconsistencies from the definition. It also provided for a partial exemption from the disclosure requirements for government-related entities.

New important standards and not early adopted

The following standards and amendments to existing standards have been published and are mandatory (as applicable) for the Local Council's accounting periods beginning on or after 1 January, 2011 or later periods and the Local Council has not early adopted them:

- IFRS 9 – Financial Instruments – (effective from 1 January, 2013).

The principal accounting policies and reporting procedures used by the Local Councils are as follows:

Accounting conducted on an accruals basis

a. Revenue recognition

Revenue is recognised when there are no significant uncertainties concerning the derivation of consideration or associated costs. Interest income is recognised in the income statement as it accrues.

b. Local Enforcement System

Mgarr Local Council forms part of the Tramuntana Joint Committee. The amount disclosed in the financial statements under Local Enforcement Income represents the share of profit derived from the Joint Committee after deducting the related expenses.

c. Tangible Fixed Assets

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated on a monthly basis using the reducing balance method at the following annual percentage rates:

	%
Land	0.0
Trees	0.0
Buildings	1.0
Office Furniture and Fittings	7.5

Construction Works	10.0
Urban Improvements (street furniture)	10.0
Special Programmes (Projects)	10.0
Office Equipment	20.0
Motor Vehicles	20.0
Plant and Machinery	20.0
Computer Equipment	25.0
Plants	100.0
Litter Bins	100.0
Playground Furniture	100.0
Traffic Signs	100.0
Road Signs	100.0
Street Mirrors	100.0
Street Lights	100.0

d. Government Grants

Government Grants relating to costs are deferred and recognised in the income statement over the period necessary to match them with the costs that they are intended to compensate. Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred government grants and are credited to the income statement over the expected lives of the related assets.

e. Impairment of Assets

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation or depreciation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the carrying amount of the asset exceeds its recoverable amount. The recoverable amount is the higher of the fair value of the asset less cost to sell and the value in use. Impairment losses are immediately recognised as an expense in the Statement of Income and Expenditure.

f. Amounts Receivable

Amounts receivable are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method, less provision for impairment. A provision for impairment of amounts receivable is established when there is objective evidence that the Council will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is the difference between the carrying amount of the asset in the present value of the estimated future cash flows, discounted at the effective interest rate. The amount of the provision is recognised in the Statement of Income and Expenditure.

g. Foreign Currencies

Items included in the financial statements are measured using the currency of the primary economic environment in which the Local Council operates. These Financial Statements are presented in Euro, which is the Council's functional and present currency.

Transactions denominated in foreign currencies are translated into Euro at rates of exchange in operation on the dates of transactions. Monetary assets and liabilities expressed in foreign

currencies are translated into Euro at the rates of exchange prevailing at the date of the Statement of Affairs.

h. Profit and Losses

Only profits that were realised at the date of the Statement of Affairs are recognised in these Financial Statements. All foreseeable liabilities and potential losses arising up to the said date are accounted for even if they become apparent between the said date and the date on which the Financial Statements are approved.

i. Cash and Equivalents

Cash and Cash Equivalents are carried in the Statement of Affairs at face value. For the purposes of the Cash Flow Statement, cash and cash equivalents comprise cash in hand and balances held with banks.

j. Related parties

Related parties are those persons or bodies of persons having relationships with the Council as defined in IAS 24.

During the year under review, the Local Council has opted to early adopt the partial exemptions as provided by IAS 24, effective from periods starting 1 January, 2011.
