Laqgħa mal-Perit Samuel Formosa

Il-laqgħa saret nhar il-Ħamis 17 ta' Lulju 2014 fil-11.30am, fl-Uffiċċju Amministrattiv tal-Kunsill. Preżenti għall-Kunsill kien hemm is-Sindku Dean Hili, il-Viċi Sindku Raymond Lanzon u s-Segretarju Eżekuttiv Kevin Borg.

Il-laqgħa saret fuq talba tal-Kunsill vis-a-vis l-appell li l-Perit Formosa rebaħ kontra d-deċiżjoni tal-Kunsill preċedenti dwar l-għoti ta' Tender 05/2011 Professional Services of an Architect & Civil Engineer.

Is-Sindku Dean Hili nforma lill-Perit Formosa li fid-dawl tas-sentenza vaga tal-Bord ta' l-Appell tad-DGL, il-Kunsill qed jara kif jista' isolvi l-każ. Infurmah li wara li ra l-korrispondenza kollha li kien hemm bejn iż-żewġ naħat, jirriżulta li hemm problema teknika minħabba li l-Perit naqas milli jkompli jgedded il-Bid Bond sa tmiem il-proċess ta' l-Appell u dan kif kien mitlub jagħmel mill-Kunsill, liema struzzjonijiet kienu saru mill-Kunsill bil-miktub u li l-Perit huwa konxju tagħhom. Il-kelliem irrimarka li dan in-nuqqas qed iwassal biex preżentament m'hemmx offerta valida u għalhekk jekk il-Kunsill jipproċedi bl-għoti ta' l-offerta, din taf tkun meqjusa bħala Direct Order, xi ħaġa li l-Kunsill ma jistax jagħmel.

Il-Perit Formosa rrimarka li jkun aħjar li tinstab soluzzjoni valida għax altrimenti kien lest li jipproċedi legalment. Irrimarka wkoll li huwa kien ser jiehu parir legali dwar il-każ tal-Bid Bond kif ukoll li kien lest li jiftaħ kawża għad-danni għax-xogħol mitluf fl-aħħar snin. Irrimarka li huwa ċar u tond li l-Kunsill ma jridx jaħdem miegħu issa wkoll wara li kien rebaħ l-appell.

Is-Sindku Dean Hili rrimarka li fl-appell il-Perit mkien ma kien talab li huwa jingħata x-xogħol iżda talab kundanna għal kif il-Kunsill preċedenti kien għamel il-proċess ta' l-għażla. Il-kelliem zied ukoll li l-Kunsill ilu xhur jgħri wara d-DGL biex jingħata linja gwida ta' kif għandu jmxexxi u kien għalhekk ukoll li talab l'issir din il-laqgħa biex huwa bħala Perit jinżamm infurmat. Il-kelliem zied jgħid li l-Perit Formosa m'għandu jkollu l-ebda dubju li l-Kunsill ma jridx jaħdem miegħu peress illi ma hemm l-ebda kwistjoni personali, anzi, il-Kunsill jixtieq isib soluzzjoni li tħalli lil partijiet kollha kuntenti, biss pero l-Kunsill ma jistax jagħmel dan billi jinkisru l-liġijiet li jirregolaw l-operat tal-Kunsill Lokali. Finalment il-Perit gie nfurmat li l-Kunsill kien ser jerga' jikkommunika mad-Dipartiment u jitlob l-approvazzjoni li jmxexxi għall-kuntratt fin-nuqqas ta' Bid Bond valida, u jekk kemm il-darba din l-approvazzjoni tingħata, l-Kunsill m'għandu ebda diffikulta li jiffirma l-kuntratt.

Il-laqgħa ntemmet fin-12.30pm.

Dear Secretary,

**Re: Appeal to the decision relating to Tender 05/11 –
Professional Services of an Architect & Civil Engineer**

Reference is made to the decision reached by the Pembroke Local Council Adjudication Board relating to Tender 05/11 – Professional Services of an Architect & Civil Engineer, whereby by means of a letter dated 30th December 2011, Architect & Civil Engineer Samuel Formosa was informed that the tender in question was awarded.

It is the humble opinion of my client, Mr Samuel Formosa, that the decision is irregular, and consequently he wishes to appeal from such decision.

The following are the grounds of the appeal:

1. The tender in question is regulated, by the Local Council Act, Cap. 363 of the Laws of Malta and L.N. 255 of 2009. In terms of article 40(1)(f), when a tender is issued by a Local Council, the Local Council is obliged to issue a publication of such tender and inform the public with, inter alia, the date and place when the tender shall be opened in public. The notice was published in the Government Gazette on the 23 September, 2011, and the public was informed that *"Tenders will be opened in public after the closing time stipulated"*.

In terms of the Tender Specifications for Professional Services, the closing date of the tender was on Wednesday 19th October 2011 at 12.00 p.m.. It thus follows that the tender was meant to be opened on the 19th October 2011 after 12.00 p.m.. Not only was the tender not opened on such date, but my client was subsequently informed by means of an email dated 27th October, 2011 (Doc. A), that the tender was meant to be opened on the 31 October 2011 at 10.00. It so happened that, for the second time, the tender was not opened on the stipulated date, but at a later date, which date was not communicated to my client.

This is irregular since the process was not transparent.

Kunsill Lokali
Pembroke

05 JAN 2012

46/0128/12/T

2. In terms of clause 5 and 6 of the Instructions to Tenderers, any correction or change in the Tender Documents was meant to be made by an Addendum, and no addenda could be issued *"later than one week prior to the closing date for the receipt of Tenders except an addendum withdrawing the request for bids or one which includes postponement of the date for receipt of bids"*.

Furthermore, in terms of clause 12 of the said Instructions to Tenderers, the public was informed that *"It is the intent of the Local Council to award Contracts on the basis of the most favourable Tenderers"*.

My client's submission of the tender was based on the presumption that the Local Council was to follow this criteria when awarding the tender.

To the contrary, on the 27th October 2011, namely 8 days after the closing date of the tender and 15 days from when no amendments could be carried out to the tender in question, my client was informed by email that:

"..... fil-laqgħa tal-Kunsill li saret il-bierah, il-Kunsill unanimament approva li l-agġudikar ta' l-offerti ser isir abbażi ta' persentaġġi, jiġifieri - 40% fuq il-prezz, 30% fuq l-esperjenza ta' xogħol, 10% fuq in-numru ta' haddiema li ser jintużaw, 10% fuq il-makkinarju li ser jintuża u 10% fuq defaults li l-kuntrattur seta kelli f'Kunsilli oħra."
Vide Doc. A.

From the above it transpires that the adjudication board was once again irregular since the above constitutes a change in goalposts for my client. My client could not effect any amendments to his bid to address the change carried out by the Council, which change is different from article 12 of the Instructions to Tenderers.

3. By means of a letter dated 9th December 2011, my client was informed that Local council adjudication Board was not *"in a comfort position to decide on any of the tenders submitted"* (Doc. B). Two weeks later, my client received another letter, whereby he was informed that the tender was awarded (Doc. C).

This exchange of correspondence is indicative that the adjudication process was not carried out in an appropriate manner.

4. In terms of Regulation 9(1) of L.N. 255 of 2009, the Committee's decision shall be made public stating also the reasons which led to such a decision. My client wishes to bring to the attention of the Board that by means of a letter dated 30th December, 2011 (Doc. C), he was informed with the Council's decision however, no mention was made of the price at which the offer was accepted, and no justification for such a decision was given.

My client thus is unaware as to why his tender was rejected.

5. Finally, my client wish to bring to the attention of the Board that from the schedule of prices, it transpires that the tender offered by him was the cheapest offer (Doc. D1- Doc. D3).

This is in accordance with the selection criteria of the original tender.

Thanking you for your kind attention.

Kind regards.

Avv. Cynthia Scerri De Bono

BORD TAL-APPELL MINN DEĊIŻJONIJIET TAL-KUNSILL LOKALI DWAR OFFERTI

Perit Samuel Formosa

Vs

Kunsill Lokali Pembroke

II-Bord tal-Appell wara li ha nota u ra l-appell ipprezentat mill-Perit Samuel Formosa, wara li ra d-dokument tal-tender, wara li eżamina d-dokumenti kollha u l-atti kollha tal-appell, wara li sema' x-xhieda u wara li sema' t-trattazzjonijiet tal-partijiet ikkunsidra l-appell odjern.

ILLI l-appell jitratta dwar appell magħmul mill-Perit Samuel Formosa li kien imsejjes fuq zewġ binarji. L-ewwel wicied illi l-Kunsill Lokali naqas illi jiftah u jevalwa it-tender documents fil-pubbliku u fid-data u fil-hin notifikat u avvizat u t-tieni lment tal-appellant huwa illi nbiddlu l-kriterji tal-aġġudikazzjoni minn Instruction to Tender Article 12 li kien jaqra' illi l-offerti kellhom jintagħzlu abbażi ta' dak li kien l-aktar favorevoli għall-kriterju differenti li wasal għalih il-Kunsill Lokali u li gie debitament rapportat fl-appell. In oltre l-appellant jilmenta illi l-kriterju tal-aġġudikazzjoni gie deċiż u notifikat wara l-gheluq taż-żmien sabiex jintefghu l-offerti mingħajr ma ntużat il-proċedura ta' modifika u mingħajr ma ngħatat l-opportunita' lit-tenderers sabiex jaraw jekk għandhomx jimmodifikaw it-tenders tagħhom fid-dawl tal-kriterju stabbilit mill-Kunsill Lokali.

ILLI l-Bord wara li sema' lill-partijiet u ra l-provi jissottolinea l-fatt illi filwaqt li l-Kunsill Lokali ha effettivament deċiżjoni tajba in kwantu che iffissa kriterja għall-aġġudikazzjoni li huma iktar ċari u skjetti minn dak magħmul originarjament fit-tender document, hu tal-opinjoni illi l-Kunsill Lokali naqas meta ma fetax u ma pprocessax l-evalwazzjoni ta' dawn it-tenders fil-hin u fid-data kif avvizat. Aktar minn hekk il-Bord jemmen illi l-kriterji stabbiliti mill-Kunsill huma effettivament bdil fil-kundizzjonijiet tal-aġġudikazzjoni u li dawn misshom saru kif titlob il-ligi fi proċess ta' modifika fi żmien opportun qabel l-gheluq tas-sottomissjonijiet tal-appellanti.

Għal dawn il-motivi il-Bord jiddeċiedi illi qiegħed jilqa' l-appell tal-appellant.

Cummins has suffered a further blow to its European market: Dennis has decided to go with Volvo-Deutz engines at Euro-4. This follows hot on the heels of the recent warning from Paccar that it may be retiring Foden - another of Cummins' major European customers. In future all Dennis Eagle Elite chassis will be powered by 7.2-litre Volvo-branded engines manufactured by Deutz in Germany, in place of the Cummins 5.9-litre ISBe and 8.3-litre ISCe engines currently fitted at Euro-3. Norman Thoday, Dennis Eagle's MD, marketing, explains that the Volvo-Deutz package was particularly attractive from a performance point of view. ...

HISTORY OF SEDDON ATKINSON

and rigid vehicles

Figure 20: The Seddon Atkinson 18-tonne 4x2 rigid Strato with the new IVECO cab

In 2006, Seddon Atkinson's parent company IVECO took the decision not to introduce Euro4 compliant engines into the Seddon Atkinson range, and consequently production of Seddon Atkinson trucks ceased completely by October 2006. The very last Seddon Atkinson off the production line in Madrid was an 8x4 rigid.

Subject : Specifications &
Emissions of LCR-702

This is to confirm that the following vehicle has been manufactured in 2009 and complies to EURO V emission standards as indicated below.

Details of truck:

Reg. No.:	LCR-702
Make:	ISUZU
Model:	NQR
Axles:	TWO
Suspension:	STEEL
Engine:	MITSUBISHI 4M42
Chassis No.:	JAANPR75M97100432
Engine No.:	667709
Year of manuf:	2009
Colour:	WHITE
Owner:	WASTE COLLECTION LTD

The undersigned has been requested to inspect and indicate the emission category & specifications of the above vehicle. The inspection was performed and it was noted that the engine and silencer incorporates a particulate filter normally found on EURO V category vehicles in addition a web search indicated that all similar trucks available and registered in the UK and Japan in 2009 are EURO V category as the above vehicle.

b) The above data was obtained from browsing through the various Isuzu model specifications and can confirm that Isuzu models sold in UK, Europe & Japan were Euro 5 compliant before the year 2009. Mechanically the vehicle was also inspected and noted to conform with Euro V standards.
