Orietta Cardona	

## **Minutes**

The opening of the tenders was performed based on the list of offers, which received from the participants. The list offers were constructed based on the information of the e-Tendering system or on tender that were offline received.

The attached table of received offer was automatically filled by the e-Tendering platform and its accuracy was approved during the opening of the offers.

All members of the evaluation committee signed forms of declaration and impartiality, attached in these minutes.
