Lill minn tikoncerna,

Kif gie miktub fl-email ta' Malcolm Pisani qeghda nikkonferma li waqt l-konversazzjoni li kellna ma Sur Terrence li qatt ma sema' fees jew xi tip ta dokumenti ohra hlief li taghna l-permess ta siegha kollox biex nigbdu shoots ghall vidjo muzikali. Ninsabu ddispjacuti li qed tinqala din l-issue wara dan iz-zmien kollu li ilu jintwera fuq il-media. Nixtieq nfakkar u nsemmi li tlett ijiem qabel ma sar is shooting, konna batna email lil kunsill kollu indirizata f isem Terrence bhala hin li ser inkunu hemm bit-team taghna u biex nfakru li kellna bzonn il-kmamar miftuhin ghax kienu priorita ghal-vidjo. Din l-email hadd ma raha? Issa wara tlett xhur shah qed tinqala din s-sitwazzjoni?

N notice li hemm mal-gnien b'onestament nghidilkom li lanqas biss harisna lejha ahseb u ara kemm qrajniha, ahna konna mohhna mistrieh li kellna il permess minghand sindku. U please note li kien is sindku stess li gie jifthilna. Allura ghalfejn ma semma l-ebda fees dak il-hin? Kemm ilna nahdmu fuq vidjo muzikali qatt ma kellna sitwazzjonijiet u problemi bhal dawn, meta hdimna fl locations partikolari dejjem konna attenti li jkolna kull permess skond il-ligi u dejjem noffru u nuru' riklam ta min hadem maghna.

Jidispjacini nghid li din is sitwazzjoni kienet ta missunderstanding min naha tal kunsill ghax ahna meta cempilna u tlabna permess il permess gie mahrug minghand is sindku u ma qalilna xejn dwar fees kemm fiz zewg telefonati ta qabel, kemm fl emails u wisq inqas xhin gie jifthilna bix nibdew is shooting. Dan id dokument li qed isemmu qatt ma gejna nfurmati bih minghand is sindku ghalhekk ma nistawx inkunu responsabbli ta xi haga li ma konnix nfurmati biha. aparti min hekk is sindku zgur mhux se jichad dan li qed nghidu.

Nissugerixxi li titkellmu bejnitkom u taraw ezatt min kien responsabbli ghax ahna xogholna ghamilnih skond l ghola awtorita' li f dan il kas jigi sindku Terrence Ellul.

Jekk Terrence naqqas mir responsabilita li ma giex jinfurmakom dwar dan kollu, din mhijix problema li tikoncerna lilna diretament.

Grazzi tal hin taghkom u j'alla din sitwazzjoni titranga malajr kemm jista' jkun filwaqt li nawguralkom il gimgha tajba.

Tisljiet

St.Lucija Local council is in copy - so basically if Terrence didn't inform you regarding this permission - from this email which was sent 3 days before the day someone could have asked him - what's this is all about, because with me he never mentioned any document or fees for this hour of shooting.

Also I am including my personal assistant in this email since she was taking care as well.

Many thanks,

Looking forward to hear from you.

Dear Caroline,

As per the above screenshot I had a verbal confirmation that he accepted to do the shooting in the Garden.

He never mentioned money since this was a promotion for the garden itself.

Subject: Music Video 'Emperor' fi Gnien is-Serenita'

Attn: Malcolm Pisani

Għażiż Sur Pisani

Qed niktiblek dwar *video* musikali 'Emperor' li ngħied fi Ġnien is-Serenita' f'Santa Luċija f'Novembru 2016. Jirriżulta li inti ma kellekx permess uffiċjali mill-Kunsill biex inti stajt tagħmel użu minn dan il-ġnien għall-*video* musikali li bħalissa qed jintwera fuq il-mezzi tax-xandir u media. Ninfurmak li l-użu ta' dan il-ġnien huwa marbut ma' *Bye-Laws* ta' Gnien is-Serenita' u hemm kontribuzzjonijiet li jridu jithallsu biex isir użu min dan il-post bħal fil-każ tiegħek.

Jiena qed nibgħatlek kopja tal-Bye-laws ta' Ġnien is-Serenita' li qed tiġi annessa ma' din l-*e-mail*. Inkarigata niktiblek u nitolbok aktar dettalji dwar l-attività li saret fi Ġnien is-Serenita' biex ingħied il-*video* imsemmi. Din l-informazzjoni ser tiġi verifikata mill-Kunsill biex jiġi stabbilit il-ħlas dovut.

Inselli għalik u nistenna mingħandek.
